## Court Tile

Derived from the words "Versatile" and "Court," VersaCourt systems have lived up to their name. The dynamic and colorful appearance combine with its inherent safety, maintenance and performance characteristics to make VersaCourt an obvious choice for all types of sports surfacing.

Whether you are a homeowner looking for a backyard basketball court or a school facilities manager requiring a more kid-friendly surface, VersaCourt employs an innovative, centralized design and construction process that improves quality, lowers cost and streamlines installation.

# Why Choose VersaCourt?

### Customers Come First Philosophy

The secret to a long-lasting court lies in expert design, service, and installation. We promise to deliver everything needed before, during, and after installation to keep your court performing for years to come.

### Custom Courts Built Just For You

Let us custom design a court just for you...any size, any color combination, any game, any logo, **everything you want**. When you work with VersaCourt, you will work with our in-house designers to get a custom solution that fits your backyard, activities and budget.

### Made In The USA

We are proud that all of our surfacing options are made right here in the USA.

### The VersaCourt Difference

Every VersaCourt order is fully assembled in our warehouse and all requested lines and logos are pre-painted by our team of professionals in a controlled environment to ensure accuracy and longevity. We then number each section, disassemble the court, and pack the tiles according to a labeled diagram.

This process makes your VersaCourt DIY installation a breeze. Once your custom VersaCourt arrives on-site just follow 7 easy steps to install.

 Designed and manufactured to withstand up to 60,000 pounds of rollover weight and a compressive strength of 2500 psi.

## Product Specs

**Size & Weight** – 15.75" x 15.75" x 0.63" thick, 1.3 pounds

**Surface** – Precision engineered with an open profile design and ¼" built-in, self-draining channeling system for maximum performance.

**Material** – Specially blended high impact copolymer polypropylene. UV stabilizers are mixed into the materials and color pigments to make them highly fade resistant and non-slip.

**Construction** – Made in America using a 4-point injection mold with 24 connectors that yield a consistently flat and functional surface.

Components are not drawn to scale.

# Compete Sports and Multipurpose

- ✓ **Patented Surface Profile**  
Surface relief provides excellent grip, Diffuser Stars dampen sound and allow for water evaporation
- ✓ **Resilient Material**  
Durable and scuff-resistant – perfect for high-traffic applications
- ✓ **Precision Locking System**  
Creates a seamless, monolithic appearance

## Product Specs

**Size & Weight** – 9.825" x 9.825" x 1/2" thick, 12.1 oz.

**Surface Texture** – Profile texture design to maintain a positive grip at all times even when damp, while enabling volleyball slides and reducing the visibility of scratch marks and skid marks.

**Material** – Specially blended high impact copolymer polypropylene creates less rigid fall surface.

**Installation** – Optional 2mm rubber underlayment increases shock absorption, provides a comfortable feel for running and jumping and dampens running or rolling noises.

Components are not drawn to scale.

## MegaSlam Basketball Goals

# MEGASLAM Hoops

VersaCourt is the exclusive partner of MegaSlam Hoops and their multi-tiered line of high-performance residential basketball goal systems. Every MegaSlam goal system is proudly made in the USA, and offers exceptional performance, durability and limited lifetime warranties to match the high-quality construction of your VersaCourt solution.

- Choose from two distinct MegaSlam goal systems
- Adjustable goal systems featuring: 60" and 72" backboards
- Exceptionally durable steel construction

### 1 7-Gauge Strong Steel

Our 7-gauge super-rigid steel thickness allows for a rock-solid game with little shaking or swaying. Double the thickness vs. brands sold at big box stores.

### 2 All Season Protection

Every MegaSlam Hoop comes ready for scorching summers, rainy springs, and frozen winters with hot-dipped galvanized steel and stainless-steel hardware.

### 3 Pro Backboard

A regulation 1/2 inch thick glass backboard provides maximum ball response. You also see clean looks through the unobstructed clear-view backboard design.

### 4 Easy Height Adjustment

The MegaSlam lowers from 5' to 10', so players of all sizes can dunk all day long.

**COACH CHASE SKINKIS**  
*Project Pure Athlete*

I couldn't be happier with my Versacourt purchase, the team made the process of designing a great looking court simple. More importantly, it performs like a freshly cleaned indoor court. The way the ball bounces, the court feel, and the grip all exceeded my expectations.

**PAUL FABRITZ**  
*CEO PJP Performance*

Working with the VersaCourt team has been not only extremely smooth but also enjoyable. The ability to completely customize our court, while also knowing that our athletes will be safe because of the good grip is also a huge plus. Installation was a breeze, and the aesthetics of the court are **100**.
