

Why Choose Blue Imp?

Why choose Blue Imp for your next playground project? Because our passion for creating great playgrounds drives everything we do. As Canada's longest-standing manufacturer of playgrounds and park furniture—family-owned and operated since 1917—we continue to design and craft a vast array of playground and park products at our headquarters in Medicine Hat, Alberta. Our products are crafted with experience, infused with family pride and backed by the strongest warranty in the industry.

1. Inspiring Play Solutions

Whether you are looking for an off-the-shelf design for quick completion or a complete custom project, our experienced design team strives to find playground solutions that not only meet the needs of your community, but inspire children of all ages and abilities to play outside. Our structures are thoughtfully designed to provide inclusive play experiences for varied ages and abilities and to develop physical literacy skills as well as sensory, imaginative and social skills.

2. Designed For You

When it comes to customization, no idea is too big, too small or too far-fetched. From complete custom concepts through to distinctive details, Blue Imp specializes in bringing your ideas to life and adding a personal touch to each project.

3. Playing Strong

At Blue Imp, we insist on using superior materials to craft highly durable products that stand up to enthusiastic play and extreme weather. We promote steel components for their longevity and vandal-resistance and back our products with the best warranty in the industry.

4. Serious About Quality and Safety

Designing for safety and manufacturing for quality are important at Blue Imp. Our products meet or exceed the safety guidelines set out by CAN/CSA Z614 as well as ASTM F1487. We are a member in good standing of IPEMA (the International Playground Equipment Manufacturer's Association) and are an IPEMA-certified facility. Our ISO9001:2015 certification ensures that our plant meets rigorous manufacturing standards.

5. Here To Help

Understanding that each project presents unique challenges, we are here to help. From fundraising ideas and creative design solutions right through to installation, Blue Imp provides expert, hands-on guidance and support every step of the way.
