

State Shooters

What a great showing we had at the state shoot and what a great way to wrap up the season. A little rain, but better than battling Sunday's wind. Thank You for being there on time and ready to shoot, the scores reflected this.

We took two squad awards; these are *team* awards and we wouldn't have done it without everyone shooting!

This is really impressive as there were 85 teams and approximately 1500 shooters in this event! As you can see the difference in these awards are usually 1-target. Our varsity squad took 3rd and our Intermediate squad took 2nd.

Varsity Squad 3rd Place - 487

- Tyler Jablonski - 100
- Alan Hauser - 98
- Evan Walechka - 97
- Austin Lehman - 96
- John Kraus - 96

Intermediate Advanced Squad 2nd Place - 470

- Brady Fincutter - 98
- Trevor Polster - 96
- Kyle Jablonski - 93
- Tristan Keeser - 93
- Johanna Kraus - 90

We had a couple of individual awards as well, and a few that were 4th place just shy of the medals.

- Tyler Jablonski led our team and most of the state with a 100 straight. Tyler went back up Sunday to do the shoot off for first. Unfortunately Tyler fell just short to land in 6th. Great Job Tyler!!!
- Brady Fincutter took 3rd in Intermediate Advanced with a 98.
- Maddie Welter took 4th JV-Ladies just out of the medals with a 93, beaten by reverse run
- Kyle Polster also took 4th JV-men just out of the medals with a 98, beaten by reverse run
