

## **Pizza Fundraiser**

Please help support the Jefferson Sportsmen's Club youth Trap Team by kicking off the season with a quick and easy fundraiser. We will be having a truck-load pizza sale of Lebbby's Pizzas made in Lebanon, WI and offer a nice variety. We ask that each family please help support this effort in one of two ways. You may pre-sell pizzas now until Jan. 27, 2020 using the form and *submit the order No Later than Jan. 27* to [farmallfreak@tds.net](mailto:farmallfreak@tds.net), drop it off to Jone Walechka, N5862 Christberg Rd. Johnson Creek, WI 53038.

Or, even simpler, the Lebbby's Pizza truck will be fully stocked and available at the Parent/Athlete meeting on Saturday, February 1 at the Jefferson Sportsmen's Club. Cash and carry sales can be made before or after the meeting and pre-sales orders will be available for pickup from 9:00-11:30 and must be picked up this day, if not the order will be cancelled. Pre-sales payments are due at pick up with one check made payable to JSC Youth Trap at that time. If you have any questions please feel free to contact me, Jone Walechka at 920-699-5343 or e-mail me at [farmallfreak@tds.net](mailto:farmallfreak@tds.net). Thank you for your cooperation and support of the JSC Youth Trap Team.

Last year the pizza presale alone topped \$2486. Let's try to beat this record and "shoot" for \$5000 in total sales! Please make a concerted effort to contribute to such a useful and painless fundraiser.

## **Practice Luncheons**

For several years now another benefit our team offers is a simple plate lunch for anyone; athletes, parents, coaches, visitors and family members to enjoy on our practice and competition nights. The dinners have a set price of \$3.00 per plate to keep them affordable and also give the kids coming from school a warm bite to eat. All meal items in the past have been graciously donated, keeping the price down and also raising \$1266 this past season. Funds raised in the past were used to purchase a Browning BT99 single shot trap gun for team use, supply shells for those shooting at the SCTP State shoot and a laser to track shot patterns.

Meals have been donated on a rotating schedule by parents in the past. A plate lunch consist of a sandwich type item, chips and a pickle. Chips and pickles have already been donated for the season. One or two families may share a night and sign up to bring a warm entree and deliver it to the club by 3:30 on practice/competition night. You do not need to serve it, that is already taken care of. Past offerings have included: brats, BBQs, pulled pork, hot beef, hot turkey, taco bowls, chili etc. A safe guideline is to prepare 40-45 servings per night, including a bun if needed. A sign up sheet for volunteering will be available at the Parent/Athlete meeting on February 1, or you may contact me at [farmallfreak@tds.net](mailto:farmallfreak@tds.net) to fill a time slot. Please consider volunteering to help out with a meal donation, it is much appreciated by all. Thank you for your cooperation!

Kindly,
