NOTES:

- Heated pools and hot tubs open at 9am; however, since it's cold in the morning, we maintain them with a cover if they're not being used. If you want to get in a heated pool or hot tub but it's covered, please let Security know so we can remove the cover. It takes us only 10 minutes to uncover it. Please pass this information on to your renters and guests.
- Heating Schedule is considered until May 1st, 2024 and it's subject to modifications due to weather conditions, high occupancy and unexpected repairs.

Sincerely,
Las Palmas at Rocky Point HOA, A.C.
