All parents are encouraged to participate in child care consultation. Finding child care that meets a family's needs is often a huge task. Fortunately, parents have several options, all of which we will support in various ways. The Children's Cabinet will provide you with consumer education materials that further explain child care options and quality standards so parents can make informed choices.

1. Choose the type of child care you want to use:

Licensed Child Care: Child care that meets licensing criteria and is monitored by a licensing agency.

- Licensed Family Child Care: Child care that takes place in the home of an individual who licensed for up to 6 children.
- Licensed Group Homes: Child care that takes place in the home of an individual who is licensed for up to 12 children.
- Child Care Centers: Child care that takes place in an environment other than an individual's home, usually a building especially designed for child care and serves more than 12 children.

<u>Family, Friend & Neighbor (FFN) Child Care:</u> Child care that meets minimal health and safety standards and capacity requirements. FFN care is not licensed or monitored. The Children's Cabinet does not provide referrals to FFN child care.

- Relative Child Care: Child care provided by a relative either in the relative's home or your home*.
- Out of Home Non-Relative Child Care: Child care that is provided by a friend or neighbor in their home.
- In Home Non-Relative Child Care: Child care that is provided by a friend or neighbor in your home*.
- *All care that occurs in the client's (your) home has a two (2) child minimum. There are no exceptions.

2. Select Your Child Care Provider

PLEASE NOTE: Regardless of which type of provider you choose, all providers must be registered with the subsidy program <u>before</u> your appointment with your case manager.

Licensed Child Care Provider

- Call (see numbers above) or visit the Children's Cabinet and ask for a Child Care Resource & Referral Specialist. You will get a list of providers based on the information you provide to the CCR&R Specialist.
- 2. Call the providers ask if they have openings for children in your child(ren)'s age group.
- If a provider has openings, ask him/her if the child care home or center is registered with the Children's Cabinet Subsidy Program. If not, ask if he/she would be willing to register with the program.
 - If yes, contact the CCR&R Specialist so we can send the provider a registration packet.
 - If no, please continue your search for a provider.
- 4. Visit the providers you have chosen to make sure that the provider will meet your and your child's needs (see the Quality Brochure in your packet for a check list).
- 5. Follow-up with the provider *before* your appointment with your case manager to make sure the provider has registered with the subsidy program.

Family, Friend & Neighbor (FFN) Child Care Provider

- 1. Identify someone you trust who is willing to care for your child(ren) on a <u>long-term</u> basis.
- 2. Review all the FFN provider requirements (on the back of this page) with this person.
- Call to schedule an appointment with a FFN Specialist <u>PRIOR</u> to your appointment with your case manager. Your provider MUST attend this appointment with you. See locations above.
- 4. **IMPORTANT!!!** You cannot be enrolled on the subsidy program until you and your provider have attended this appointment and all required paperwork is complete (see back of page).
 - If your provider lives greater than 25 miles away from a Children's Cabinet office, provider enrollment can occur over the phone.
- 5. If your provider does not comply with program requirements, the provider will be dropped from the program and you will need to find a new provider.

IMPORTANT! Review the FFN Provider Requirements on Back.
