

Outta This World Behavior!

Clip Chart, Behavior Log, Labels,
And Consequence Note

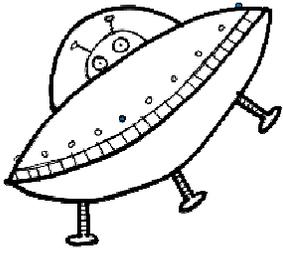

Using The Clip Chart

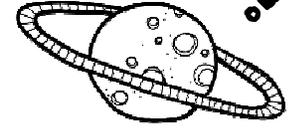

This clip chart idea came from Rick Morris. For more info go to www.newmanagement.com/ebooks/pdf/clip_chart_ebook.pdf. Its amazing and there are so many ideas !! I've tweaked it for my students and made it an Out of this World theme.

What I've tried:

- You can print out the clip chart, mount it on construction paper, and laminate it.
- I actually sent the digital file to Vista Print and made it into a sturdy banner. It worked SO well. It did cost me around \$30 to make the banner but it is worth it because I could use it for years and years!
- Top of the Chart: When a student got to the top of the chart, they got a pencil. I used the attached Top of the Chart Labels
- When a student got to Think About It or Loss of Time, I would fill out and send home the Making Better Choices sheet.
