

Explore Our Exciting Sponsorship Opportunities

We support your local youth sports associations through volunteer community service, charitable good will and competitive family excitement.

Help us continue fostering fun and sportsmanship in your community by becoming a sponsor!

Sponsorships & Fundraising

The Knights of Columbus Hockey Challenge is a volunteer-driven annual program provided free of charge to youth hockey associations and youth hockey players worldwide.

Each year, youth challengers compete in shot accuracy competitions to advance into state and international championship competitions.

Your sponsorship supports the charitable growth of our program's success. Promote your business, brand or organization through one of our donor packages.

We strive to build lasting partnerships, make a positive impact on our communities and recognize the generous support of our sponsors.

Knights of Columbus has over 2.1 Million volunteer members worldwide. Knights of the Valley Group is an affiliate 501c3 and organizer of the Hockey Challenge program.
