

Advertise Charitable Support towards Youth Sportsmanship

Be part of something truly special in our community — the annual Knights of Columbus Youth Hockey Challenge Championships.

This inspiring challenge brings together families, young athletes, and local supporters through various level competitions in a test of individual skill and shot accuracy on goal.

By becoming a sponsor, your business — whether a hometown favorite or a regional leader — will gain positive exposure while directly supporting youth development, community involvement, and the values of practice, perseverance, and dedication that makes youth sports great.
