

# Show Your Council Support for the Knights of Columbus Hockey Challenge

Connect with youth associations to build a local shot challenge and help us fundraise KC efforts towards the Hockey Challenge Championships.

The KC's Hockey Challenge is the latest effort by Supreme leadership to connect families, young athletes, and Knights of Columbus councils through area hockey shot competitions.

We encourage council and area leaders to support this new KC sponsored program — whether facilitating a local youth shot competition or becoming a program sponsor — our collective efforts directly support youth development, community engagement, and the values of practice, perseverance, and dedication that makes the Knights of Columbus a proud organization.

**Help Us Prepare for the Championships**

**March 27<sup>th</sup> & 28<sup>th</sup>, 2026**

**Scheels Arena | Fargo, North Dakota**

**Worthy Knights of Columbus**, we humbly request your support instituting this new engaging community program designed to expand our collective mission.

Where available, councils can contact and collaborate with area youth clubs and leagues to facilitate local challenges whose finalist boy/girl winners ages 10-14 advance.

If willing, we also welcome any charitable sponsor donation that helps fund the program's expansion, development, promotional and event needs.

Your council can display collective support becoming a jersey sponsor or choose among many desirable options.

To get started or learn more fill this form or register at [www.hockeychallenge.org](http://www.hockeychallenge.org)

Your leadership helps develop a memorable, positive experience for young athletes and their families. A win-win opportunity for your community.
