

NATURAL WINE

VINTAGE: 2018

COUNTRY: HUNGARY

REGION: NESZMÉLY

FARMING: BIODYNAMIC

COOL GRAPE ALERT!

This medium-intensity straw-yellow wine is oily from the wall of the glass. The first impact is given to minerality, then it spans the aromas of candied citrus peels, and later the smell of linden honey. Medium to full bodied and bursting with rounded fruit flavors and just a touch of wood from the barrel aging.
