

2023 DE MENA SUPER SINGLA

An orange robe and an explosive, ultra-aromatic nose... Palate: dry, this is assertive, serious juice, with exotic notes, yellow fruits. Very few bottles produced!

Vintage: 2023

Country: France

Region: Roussillon

Soil: Very Stony soils on high terraces.

Vineyard: Mont Py

Grape Varieties: 100% Muscat

Alcohol Content: 12%

Vinification: 100% Muscat Petits Grains. From 40-year-old vines grown on stony limestone clays, facing north. The estate is certified organic. The soil is lightly tilled twice a year, and grapes are harvested by hand with small crates, only in the morning. Vinification: 50% whole bunches and 50% destemmed, 7 days of skin maceration. Maturation for 7 months in fiber vats. Bottled at the Estate on the 2nd of April 2024 without fining or filtration, zero added sulfites.

De Mena [de Mɛnə] is a Catalan term that means "by nature", indeed it is by nature that Sébastien Agelet crafts the beautiful wines of Domaine De Mena. Grape growing has a long tradition in Sébastien's family, his Great Grandfather, Grandfather, and Father have all worked the rugged vineyards around Paziols in the heart of the Pyrenees Mountains. It is with this family tradition in mind, along with a desire to create a legacy of his own that Sébastien decided to pull his family vineyards out of the local co-op and follow his own path, the path of nature, and thus De Mena was born.
