### **Legal Considerations and Use of Force for Private Security**

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **4-hour POST-approved training program**, titled "**Legal Considerations and Use of Force for Private Security**." This training program is presented by current and retired first responder professionals who are experts in the Freedom of Information Act (FOIA) and related issues. Topics include:

- Overview of relevant policies, procedures, legal, and civil laws and regulations governing private security operations and their implications
- Exploration of the legal standards and principles related to the use of force in private security settings
- Differentiating between verbal, physical, and deadly use of force and discussing appropriate use in various scenarios
- Guidelines on the legal justifications for using force in self-defense and to protect others in emergencies
- Analyzing case studies to illustrate the application of legal considerations and use of force principles in private security

This program is designed for all public safety, corporate security advisors, and other security professionals who need legal updates review including the use of force by private security.
