### **Evidence Management and Storage Liability for Police Administrators**

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **4-hour POST-approved training program**, titled **"Evidence Management and Storage Liability for Police Administrators."** This training program is presented by current and retired law enforcement supervisors/commanders who are experts in the management and storage of physical evidence in law enforcement facilities. Topics include:

- International Association for Property and Evidence (IAPE) and its importance
- Issues that lead to evidence management and storage liability for law enforcement agencies
- How we as organizational leaders fail property rooms through poor supervision, policies/procedures, and other inadequacies
- The most important/litigious items stored in the property room
- How to address issues that lead to evidence management and storage liability through evidence submission/packaging manual, evidence room SOP manual, and department policy/procedure for evidence management
- Specific steps in correcting issues that lead to evidence management and storage liability to include state law updates specific to evidence

This program is designed for first-line supervisors, mid-level managers, and police chiefs/sheriffs who are responsible for managing and supervising the storage of various types of physical evidence in law enforcement investigations. Policies and procedures of evidence management will be discussed in-depth.
