### **Vehicle Crash/STARS Investigations**

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program, titled “Vehicle Crash/STARS Investigations.”** This training program is presented by current and retired law enforcement officers and supervisors/commanders who are experts and have decades of experience investigating these types of incidents. Topics include:

- Proper techniques in approaching and arriving at the scene of a vehicle crash incident
- Process of providing aid to the crash victims
- Process of gathering critical information from victims, witnesses, and other first responders to begin the process of conducting the initial investigation
- How injuries on the crash victims can assist in determining their locations in the vehicle
- How evidence in the roadway can determine the location of the crash
- How to properly complete an AIR report in the event of an alcohol-related crash arrest
- Utilizing the “Missouri Uniform Crash Report Preparation Manual” for reporting vehicle crashes
- The purpose and role of an “Accident Reconstructionist” in complex vehicle crash incidents
- How to properly document a vehicle crash scene using photographs, video, and a vehicle crash diagram
- The process of locating, identifying, and seizing physical evidence at a vehicle crash scene for investigative purposes or processing of the evidence at a crime laboratory
- Scenario-based, role-playing with mock crash scenes

This program is designed for all law enforcement officers, investigators, and supervisors/commanders responsible for investigating and approving basic, non-injury traffic crashes to complex, serious injury crashes.
