

Vista Law Enforcement Training and Consulting, LLC

1550 Wall Street, Suite 16B, St. Charles, Missouri 63303

Basic Crime Scene Photography

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **8-hour POST-approved training program**, titled **“Basic Crime Scene Photography.”** This training program is presented by current and retired law enforcement personnel who are expert forensic scientists, crime scene investigators, homicide detectives, and death investigators. Topics include:

- Proper procedures of the initial responding officer(s) in securing crime scenes
- Proper methods, procedures, and techniques in documenting a crime scene through photo analysis
- Basic camera vocabulary relative to commonly used terms and phrases
- Proper functions of the specific department-issued cameras and photography equipment utilized by different law enforcement agencies
- Various types of crime scene photography and photographs
- General types of technical issues and solutions to solve camera technical problems
- Practical application in setting the proper methods and techniques of crime scene photography including daytime, nighttime, indoor, and outdoor photographs, then presenting them in the classroom for analysis and critiquing
- Use of photographs by first responders in investigating incidents and in the preparation of the final investigative report
- Proper legal procedures in introducing crime scene photographs in a courtroom

This program is designed for all first responder personnel responsible for processing crime scenes to become knowledgeable and proficient in taking crime scene photographs through comprehensive and interactive training modalities. Classroom, demonstration, and practical application exercises are utilized. **Attendees should bring their department-issued cameras.**
