Basic Death Investigations for Officers and Investigators

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **“Basic Death Investigations for Officers and Investigators.”** This training program is presented by current and retired first responder personnel who are expert forensic scientists, crime scene investigators, coroners/medical examiners, homicide/death scene detectives, and supervisors/commanders. Topics include:

- Initial response and securing of the scene by responding officers
- Constitutional requirements/restrictions when conducting searches/interviews in death cases
- Contacting and interviewing the initial reporting party
- Initial investigative procedures conducted by responding officers and investigators
- Proper procedures for contacting the medical examiner/coroner
- Conducting death notifications
- Conducting neighborhood/area canvasses
- Interpretation of both the death scene and the victim's body
- Examination and discussions of actual bodies and death scenes investigated by class instructors
- Identifying the stressors confronting law enforcement officers associated with responding to, and investigating violent death scenes
- Preparation of both the initial/original report and the investigation report

This program is designed for all law enforcement personnel to provide them with specific knowledge and skills in the proper investigative tactics and procedures necessary for the investigation of homicides, accidental deaths, suicides, and natural deaths.
