### **Search Warrant and Affidavit Preparation in Criminal Investigations**

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **"Search Warrant and Affidavit Preparation in Criminal Investigations."** This training program is presented by current and retired law enforcement detectives and supervisors/commanders who are experts in writing, executing, and managing search warrants. Topics include:

- Applicable US Constitutional, Missouri State statutes, and US Supreme rulings regarding unreasonable search and seizure and the probable cause needed to apply for search warrants
- Legal exemptions to the search warrant requirement
- Discussion/explanation of the application, affidavit, search warrant, and search warrant return
- Procedures of submitting the search warrant application to the prosecutor, getting it approved by a judge, executing the search warrant, drafting the inventory, and providing a return to the court
- The importance of containing all the details in the affidavit to establish probable cause and the ability to search specific areas/locations (four corners doctrine)
- Procedures for conducting a proper search during the execution of the search warrant
- Practical exercises in writing numerous search warrant examples of mock crimes

This program is designed for all law enforcement personnel, investigators, and supervisors/commanders who write, execute, and manage search warrants. This is a "half-day lecture and day and a half writing search warrants" course where attendees will become proficient in drafting a variety of mock crime search warrant applications, affidavits, search warrants, and inventory returns. **Attendees should bring a laptop computer with Microsoft Word that can be used for the course.**
