## Patrol Rifle Instructor Development Training

POST-certified #24777 | 40 Hours

Date: ?????

Time: ??:00 AM – ??:00 PM

Cost: \$??? .00 per attendee

Location: ????? Police Department,  
?????, ?????, MO ?????

### Program Overview

Vista Law Enforcement Training and Consulting, LLC, in partnership with the ????? Police Department, presents this comprehensive training program. This course is taught by experienced, tactical firearm instructors with decades of operational and teaching experience. This course equips participants with the knowledge and proficiency necessary to instruct patrol rifle operators. **Attendees will become Missouri POST-certified patrol rifle instructors. Certification is valid for three (3) years upon completion (a re-certification course is required after 3 years). Course requirements are listed on page #2.**

### Training Topics

- Core skills and pre-course preparation necessary to serve as an effective firearms instructor
- Missouri POST-mandated requirements/documentation/qualification forms for firearms certification
- Review of Missouri statutes, federal law, and U.S. Supreme Court decisions on the use of deadly force
- Instructions on field stripping, cleaning, and properly lubricating patrol rifles and magazines
- Tactical first aid considerations and trauma-response principles related to firearm injuries
- Hands-on practical drills utilizing “Blue Gun” inert patrol rifles and handguns
- Live-fire skill-building drills conducted with duty patrol rifles and handguns
- Final practical presentation of a professional PowerPoint-based firearms lesson plan to course attendees and instructors for evaluation
- Final written examination assessing comprehension of all instructional material
- Final live-fire qualification with a patrol rifle and transitioning to a handgun

### Who Should Attend

- ✓ Any peace officer, public safety/security, military, or other qualified individual(s) seeking certification

## **Course Requirements**

- Documentation verifying status as a current or retired peace officer, public safety professional, armed security officer, military officer, or other qualified individual(s) to be reviewed and authorized by the lead Vista, LLC firearms instructor, who has completed a recognized original patrol rifle training program, including a patrol rifle qualification within the past year using the attendee's department-issued rifle
- Successful completion, with a passing score, of a pre-course and post-course patrol rifle qualification evaluated by course instructors, demonstrating safe weapon handling, proficiency, technical and tactical movement, and approved shooting positions
- A copy of your agency's firearms policies and procedures, including its use-of-force policy
- Duty handgun with duty belt, duty holster, and 3 magazines
- .223/5.56 AR-15-style patrol rifle with fixed "iron sights" and optional mounted non-magnified "red dot sights," both zeroed in before the course, and approved by the agency for on-duty use, subject to inspection and approval by instructors
- Single point or double point sling (no triple point slings), which is applicable to your patrol rifle
- 5 AR-15 style .223/5.56 magazines (metal or polymer Magpul style; minimum 30-round capacity), suitable for use with the attendee's rifle, subject to inspection and approval by instructors
- A handheld tactical flashlight or a rail-mounted weapon light
- 1,000 rounds of .223/5.56 duty or training ammunition, subject to inspection and approval by instructors
- 200 rounds of handgun ammunition, subject to inspection and approval by instructors
- At least five 5 .223/5.56 training or "dummy" rounds
- Tactical/BDU style clothing with tactical pants pockets, baseball-style cap, wrap-around eye protection, hearing protection (compatible with shoulder-fired weapons), and body armor (Level III +/-Level III A, or higher)
- A complete patrol rifle and handgun cleaning kit, and proper lubricants
- Sufficient physical strength and stamina to repeatedly manipulate and fire weapons during extended drills in varying weather conditions; attendees must be able to transition between standing, kneeling, and prone positions, and move forward, backward, and laterally
