### **Street Encounters: Officer Safety Tactics and Techniques (4 or 8 Hour)**

Vista Law Enforcement Training and Consulting, LLC, in cooperation with ????, has scheduled this 4 or 8-hour POST-approved training program, titled "**Street Encounters: Officer Safety Tactics and Techniques.**" This training program is presented by current and retired law enforcement personnel who are experts in tactical officer safety skills and techniques. Topics include:

- The initial encounter during a traffic violation/vehicle stop situation
- The initial approach and return from the vehicle during the traffic stop
- Constitutional issues in reasonable suspicion, detainment, frisk searches, and probable cause arrests and searches
- Pedestrian street encounters, including officer safety and legal issues in the initial approach, detainment, frisk searches, and questioning relative to reasonable suspicion and probable cause
- Firearms/handgun retention tactics and techniques

This program is designed for all law enforcement personnel with an enhanced and more detailed view of officer safety tactics and techniques in vehicle stops, the issuing of traffic violations, street encounters, and other citizen encounters. Attendees will achieve the following objectives through class lectures, interactive discussions, and practical application in presented scenarios.
