Driving While Intoxicated (DWI): Standard Field Sobriety Testing (SFST) Refresher Course

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this 4-hour POST-approved training program, titled "Driving While Intoxicated (DWI): Standard Field Sobriety Testing (SFST) Refresher Course." This training program is presented by both current and retired law enforcement officers, who are experts in impaired driving investigations. Topics include:

- Review of the legal framework surrounding DWI enforcement, the purpose of Standard Field Sobriety Testing (SFST), and the consequences of impaired driving
- Review of how alcohol and other illicit substances affect motor skills, cognitive functions, and driving abilities
- Review of the proper administration of the horizontal gaze nystagmus test, analyzing cues, and identifying signs of impairment
- Review of the proper administration of the walk-and-turn test, assessing balance, and identifying signs of impairment
- Review of the proper administration of the one-leg stand test, evaluating a subject's stability and coordination, and identifying signs of impairment
- Review of best practices for accurately recording observations and results from SFSTs for use in reports and court proceedings
- Review of preparing officers for courtroom testimony regarding SFST administration and results

This program is designed for law enforcement personnel who investigate activity related to alcohol, drugs, or polydrugs that could impair one's ability to operate a motor vehicle or other mechanical devices that could cause harm to themselves and the public.
