### **Driving While Intoxicated (DWI): Standard Field Sobriety Testing (SFST) Basic Course**

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **24-hour POST-approved training program**, titled **"Driving While Intoxicated (DWI): Standard Field Sobriety Testing (SFST) Basic Course."** This training program is presented by both current and retired law enforcement officers, who are experts in impaired driving investigations. Topics include:

- Overview of the legal framework surrounding DWI enforcement, the purpose of Standard Field Sobriety Testing (SFST), and the consequences of impaired driving
- How alcohol and other illicit substances affect motor skills, cognitive functions, and driving abilities
- Proper administration of the horizontal gaze nystagmus test, analyzing cues, and identifying signs of impairment
- Proper administration of the walk-and-turn test, assessing balance, and identifying signs of impairment
- Proper administration of the one-leg stand test, evaluating a subject's stability and coordination, and identifying signs of impairment
- Best practices for accurately recording observations and results from SFSTs for use in reports and court proceedings
- Preparing officers for potential courtroom testimony regarding SFST administration and results

This program is designed for law enforcement personnel who investigate activity related to alcohol, drugs, or polydrugs that could impair one's ability to operate a motor vehicle or other mechanical devices that could cause harm to themselves and the public.
