Officer-Involved Shootings (OIS) and Critical Incident Investigations

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **"Officer-Involved Shootings (OIS) and Critical Incident Investigations."** This training program is presented by current and retired law enforcement detectives and supervisors/commanders who are experts and have decades of experience investigating these types of incidents. Topics include:

- Initial duties of the responding officers arriving on the scene
- Identifying law enforcement and other support personnel needed to respond to the scene
- Proper department policies and procedures in the interviewing of the involved officers (including obtaining a "Public Safety Statement") and interviewing other witnesses on scene
- Understanding the differences between the investigative, legal, and administrative aspects of these types of investigations
- Identifying and seizing various types of physical evidence while on the scene
- Conducting an on-scene "Re-enactment/Walkthrough"
- Reviewing the steps in the preparation of the original and investigative reports, the review of the reports by supervisors/command personnel, and presentation to the prosecutor's office
- Understanding the importance of obtaining a "declination letter" from the prosecutor
- Practical exercises conducted regarding interviews of officers involved in officer-involved shootings, in-custody deaths, or critical incidents

This program is designed for all law enforcement officers, investigators, and supervisors/commanders who respond, investigate, and supervise officer-involved shootings, in-custody deaths, or critical incidents. **Day #2** is all scenario-based role-playing.
