Defensive Driving Techniques/Emergency Vehicle Operations (4 or 8 Hour)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **???**, has scheduled this **4 or 8-hour** POST-approved training program, titled **"Defensive Driving Techniques/Emergency Vehicle Operations."** This training program is presented by current and retired first responder personnel who are experts in defensive driving and emergency vehicle operations. Topics include:

- Missouri statutes and U.S. Supreme Court rulings regarding emergency vehicle operations
- Department policies and procedures in emergency vehicle operations and vehicle pursuits
- The differences between "Civil Liability and Criminal Liability," and the consequences of operating an emergency vehicle in a "negligent" or "reckless" manner
- "Vehicle dynamics," regarding the physical limitations of a motor vehicle to prevent loss of control by a first responder
- Proper methods in the operation of an emergency vehicle during regular duties or operations
- Proper tactics and techniques in operating an emergency vehicle during emergency vehicle operations, and during low and high-speed vehicle operations
- Practical (low-speed) driving exercises and techniques observed and evaluated by instructors

This program is designed for all first responders who operate emergency vehicles. **Attendees must supply an agency-approved emergency vehicle (multiple individuals from the same agency may bring one vehicle from their respective agency).**
