Emergency Vehicle Operations Course (EVOC) Instructor Program

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **40-hour POST-approved training program**, titled **“Emergency Vehicle Operations Course (EVOC) Instructor Program.”** This training program is presented by current and retired first responder personnel who are experts in defensive driving and emergency vehicle operations. Topics include:

- Legal and policy foundations
- Vehicle dynamics and physics
- Risk assessment and hazard recognition
- Vehicle maintenance and inspections
- Defensive driving techniques
- Pursuit policies and tactics
- Precision driving skills
- Emergency response procedures
- Scenario-based training
- Use of technology in emergency vehicle operations
- Night and adverse weather operations
- Evaluation and assessment techniques
- Teaching strategies and presentation skills
- Continuous professional development

This program is designed for those interested in becoming Emergency Vehicle Operations Course (EVOC) Instructors by ensuring they acquire the necessary skills to effectively teach and assess emergency vehicle operation techniques for first responder personnel. Attendees must participate in practical driving exercises and must pass both written and practical driving exercises to be certified as Emergency Vehicle Operations Course (EVOC) Instructors. **This course will certify attendees as POST-CLEE Instructors and as POST Basic Training Instructors/Specialists for Driving Instruction (curricula code 1800).**

COURSE REQUIREMENTS

- Attendees must supply an agency-approved emergency vehicle (multiple individuals from the same agency may bring one vehicle from their respective agency). The authorized vehicle **MUST** have the emergency vehicle-approved package design from the original vehicle manufacturer

-
- Attendees must have completed at least one emergency vehicle operations course of instruction
 - Attendees are required to provide their department policies and procedures relative to emergency vehicle operations, as well as vehicle pursuits. In addition, attendees will be required to research and have in their possession the Missouri State Statute regarding emergency vehicle operations
 - Attendees must be prepared for extreme weather, (hot, cold, inclement weather) and must wear suitable clothing (including a hat and sunglasses), and have water or other liquids and snacks available due to day-long practical driving exercises
 - Since there will be low-light/no-light practical driving exercises, attendees will be required to have a night glow vest for safety purposes and have at least one flashlight during this training exercise
 - Attendees must be in good physical condition and be prepared to ride in emergency vehicles during various driving maneuvers. Attendees must be prepared to stand and walk the entire driving course for course inspections and to retrieve and replace driving cones throughout driving exercises
