### Missing Person Investigations

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **8-hour POST-approved training program**, titled **“Missing Person Investigations.”** This training program is presented by current and retired law enforcement detectives and supervisors/commanders who are experts and have decades of experience investigating these types of incidents. Topics include:

- Initial duties of the responding officers and investigators in missing person cases
- Types of information and questions necessary during the initial part of the investigation
- Required SARAA/AMBER Alert/Endangered Person/Silver Advisory procedures/forms
- Resources available from the National Center for Missing and Exploited Children (NCMEC)/Team Adam
- The value of cyber information in investigating missing person cases
- Using different tactics and procedures regarding missing adult and missing child investigations
- Understanding the use of “personal identifiers” in missing child investigations
- Utilizing investigative task forces in large-scale missing person investigations
- Physical evidence that needs to be seized and processed during the initial investigation
- Legal and procedural issues followed by the initial responding officers and follow-up investigators
- The change of investigative status if the missing person case is later classified as a homicide

This program is designed for all law enforcement officers, investigators, and supervisors/commanders responsible for investigating adult and child missing persons cases.
