Courtroom Testimony Tactics and Techniques (4 or 8 Hour)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with the **????**, has scheduled this **4 or 8-hour POST-Approved Training Program**, titled **"Courtroom Testimony Tactics and Techniques."** This training program is presented by current and retired law enforcement officers and investigators, who are experts in courtroom testimony. Topics include:

- The differences between preliminary hearings, grand jury, depositions, motions to suppress, and criminal court testimony
- Tactical skills and techniques in the preparation for direct examination by the prosecutor and cross-examination by the defense attorney
- Review and critique actual courtroom testimony conducted by law enforcement officers
- Being tactically and emotionally prepared for the stresses associated with the trial, pre-trial preparation, and actual courtroom testimony
- Reasons officers and investigators fail in courtroom testimony and how to safeguard against it
- Practical exercises of class participants in a variety of courtroom setting demonstrations

This program is designed for officers and investigators, who provide courtroom testimony in municipal court, preliminary hearings, depositions, grand jury, motions to suppress, bench trials, and jury trial settings. Course presentations, as well as live practical training exercises, will be utilized to evaluate the proficiency of course participants. **Attendees are asked to bring one narrative report of their own where an arrest was made, that resulted in criminal charges being issued, for utilization in a practical training exercise.**
