Street Encounters: Officer Safety Tactics and Techniques (4 or 8 Hour)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this 4 or 8-hour POST-approved training program, titled "**Street Encounters: Officer Safety Tactics and Techniques.**" This training program is presented by current and retired law enforcement professionals who are experts in tactical officer safety skills and techniques. Topics include:

- The initial encounter during a traffic violation or a vehicle stop situation
- The initial approach and retreat from the vehicle during the traffic stop
- Constitutional issues in reasonable suspicion, detainment, frisk searches, and probable cause arrests and searches
- Pedestrian street encounters, including officer safety and legal issues in the initial approach, detainment, frisk searches, and questioning relative to reasonable suspicion or probable cause
- Firearms/handgun retention tactics and techniques

This program is designed for officers and investigators to provide them with an enhanced and more detailed view of police officer safety tactics and techniques in vehicle stops, the issuing of traffic violations, on-site street encounters, and the investigation of motor vehicle crashes. Class attendees will achieve the following objectives through class lectures, interactive discussions, and practical application in presented scenarios.
