Tactical Progression in and Around Structures (16 Hour)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled "**Tactical Progression in and Around Structures.**" This training program is presented by current and retired law enforcement personnel who are experts in tactical operations/SWAT, firearms instructors, and paramedics. Topics include:

- Classroom discussion on the necessary terminology for building or structure clearing
- Classroom discussion on the basics of tactical approaches, clearing rooms/hallways, etc.
- Classroom demonstration on pistol/handgun and rifle fundamentals
- Applicable Missouri State Statutes, Federal Laws, and U.S. Supreme Court rulings in the use of deadly force by law enforcement officers in the performance of their official duties
- Application of tactical first aid and trauma training for the treatment of law enforcement officers or the public in the event of injuries sustained in police operations/everyday police duties
- Blue Guns (pistol/handgun and rifle) ONLY static movements and practical scenario exercises with role-players of structure approach, doorway assessments, room entry, secondary searches, hallway clearing, and use of a ram/Halligan tool/ballistic-resistant shields in search warrants/hostages/active shooter situations (day 1 at a school; day 2 at a residence)

This program is designed for all law enforcement personnel, who are required to enter buildings and structures in the performance of their duties to effect an arrest, assist individuals who need aid, search for suspects, or locate an active shooter in critical incident situations. **Attendees are required to bring their department-issued duty belt with a holster, ballistic-resistant shield, tourniquet, and flashlight.**
