Defensive Tactics: Basic Subject Control from the Ground

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **4-hour POST-approved training program**, titled **"Defensive Tactics: Basic Subject Control from the Ground."** This training program is presented by current and retired law enforcement professionals who are experts and certified instructors in defensive tactics/ground fighting. Topics include:

- **Applicable Missouri state statutes and U.S. Supreme Court rulings regarding the use of force by law enforcement and citizens**
- **The "reasonableness" standard in the use of force by law enforcement and citizens**
- **How to fall to the ground to limit injury**
- **The ability to recover from an unexpected fall into a face-up defensive posture**
- **The ability to recover to the standing position (tactical stand-up)**
- **Basic ground body positioning (top mount, guard, cross-body)**
- **Subject control when in the top mount position, inside guard position, and cross-body position**
- **Escapes from the bottom mount position, guard position, bottom cross-body position**
- **The need to protect firearms and/or intermediate weapons during a physical encounter to prevent the subject from gaining possession or control**
- **Demonstrate, in practical training exercises, the proper utilization of these tactics and techniques**

This program is designed for all first responders and citizens to help protect themselves and/or others from death or serious physical injury with the necessary and legal force to control these types of situations. Weapon retention tactics and techniques will also be presented.
