Driving While Intoxicated (DWI): Advanced Roadside Impaired Driving Enforcement (ARIDE)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **"Driving While Intoxicated (DWI): Advanced Roadside Impaired Driving Enforcement (ARIDE)."** This training program is presented by both current and retired law enforcement officers, who are experts in impaired driving investigations. Topics include:

- Overview of the Advanced Roadside Impaired Driving Enforcement program, its objectives, and its role in enhancing DWI enforcement strategies
- In-depth examination of physiological and behavioral signs of impairment caused by alcohol, drugs, and polydrug use
- Review and refinement of Standard Field Sobriety Test (SFST) techniques, including advanced assessment methods for complex cases
- Integrating observational skills with Standard Field Sobriety Test (SFST) results to build a comprehensive assessment of driver impairment
- Introduction to Drug Recognition Expert (DRE) protocols, including when to call for a DRE and understanding their role in impaired driving investigations
- Understanding the legal implications of Advanced Roadside Impaired Driving Enforcement (ARIDE) practices, including courtroom procedures and defending assessments

This program is designed for law enforcement personnel who investigate activity related to alcohol, drugs, or polydrugs that could impair one's ability to operate a motor vehicle or other mechanical devices that could cause harm to themselves and the public.
