Instructor Development Training Program

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **40-hour POST-approved training program**, titled **"Instructor Development Training Program."** This training program is presented by Missouri POST Certified Generalist and Specialist Instructors, who have decades of practical training and education in law enforcement topics and training programs. Topics include:

- The roles and responsibilities of a certified law enforcement instructor
- Adult learning theories and methods
- Various types of classroom instruction, including extemporaneous and structured public speaking
- Effective classroom communication methods and techniques to motivate interaction
- Understanding the use of PowerPoint or various types of computerized, classroom presentations
- Various methods of inserting photographs and videos into PowerPoint
- How to develop transition slides and install various designs and color schemes into PowerPoint
- Preparing a "basic" presentation utilizing PowerPoint for presentation to class participants
- Understanding the applicable Missouri State Statutes relative to certifying training institutions
- Preparing course rosters, exams, training certificates, and evaluations
- Legal and civil liability issues for law enforcement instructors
- Preparing a "final" presentation utilizing PowerPoint for presentation to course participants

This program is designed to teach and certify law enforcement personnel to become instructors through comprehensive and interactive training. Various practical applications and exercises teach attendees classroom instructional tactics and technique skills. This course provides all attendees with the certification necessary to become Missouri POST Certified Generalists and/or Specialists Instructors.
