De-Escalation Techniques and Defensive Tactics (2.5 Hours)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **2.5-hour POST-approved training program, titled “De-Escalation Techniques and Defensive Tactics.”** This training program is presented by current and retired first responder personnel who are experts in de-escalation and defensive tactics and techniques. Topics include:

- **Missouri State Statutes regarding the use of force in defense of yourselves or others**
- **Discussion of the traditional law enforcement “Use of Force Continuum”**
- **Tactics and techniques in the prevention of escalation during critical situations**
- **Practical training exercises regarding proper methods of de-escalation tactics and techniques, including initial approach, positioning, and verbal communication**
- **Demonstration of various holds and restraints, including arm bar, single leg takedown, etc., in the event of an aggressive, physical attack**
- **Situational factors that can occur during a verbal disturbance, including various behaviors displayed by individuals, including emotions, anger, mental illness, and drug and/or alcohol-induced behavior**

This program is designed for civilians and first responder personnel who respond to situations where individuals need de-escalation. As with these interactions, especially those where the use of force is required, attempts at de-escalation and their documentation are important. This course teaches attendees the tactics and techniques to de-escalate most situations without using force or calling security.
