Beyond the Continuum: De-escalation after Escalation (2 or 8 Hour)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **2 or 8-hour** POST-approved training program, titled **"Beyond the Continuum: De-escalation after Escalation."** This training program is presented by current and retired first responder personnel who are experts in de-escalation tactics and techniques. Topics include:

- Defining "De-Escalation"
- Defining emotions, anger, mental health, and mental disorders
- Subject's and officer's physiological responses to a stressful situation
- Proper tactics and techniques in de-escalation
- Proper procedures in conflict resolution
- Understanding freeze/flight/fight and how that knowledge can be used to de-escalate situations
- How to develop rapport with those needing de-escalation on how to use that as a tactic
- Why showing empathy and gaining trust is important in de-escalating individuals
- Review of law enforcement encounter videos involving subjects needing de-escalation
- Role-play practical scenarios then review/critique **(8-hour course only)**

This program is designed for civilians and first responder personnel who respond to situations where individuals need de-escalation. As with all law enforcement interactions, especially those where the use of force is required, attempts at de-escalation and their documentation are important. This course teaches attendees the tactics and techniques to de-escalate most situations without using force or calling security.
