Criminal Investigation Division Leadership and Management

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **"Criminal Investigation Division Leadership and Management."** This training program is presented by current and retired law enforcement supervisors/commanders who are experts in leading, supervising, and managing investigative units. Topics include:

- **Organizational structure of a criminal investigation division**
- **Necessity to have personnel assigned to specialty or specific areas of investigative responsibility based on their skills, strengths, and desires**
- **Managing legacy and social media through a Public Information Officer (PIO)**
- **Importance of intelligence-led policing (crime analysis) and an analyst's roles and responsibilities**
- **Ways to track and analyze criminal investigation division statistics**
- **Obligation to be completely engaged in the investigative process with investigative personnel to assist in critical decision-making in all kinds of situations/cases**
- **Correct process to properly budget and identify necessary equipment needs**
- **Track and document an investigator's caseload and completion of investigations**
- **Management and tracking of detached task force detectives and why this is important**
- **Necessity for advanced training for new investigators assigned to specialized units**

This program is designed for supervisory and command personnel tasked with the operation of criminal investigation divisions to effectively lead, supervise, and manage investigators and the organization of the unit.
