POST-certified #23854 | 40 Hours

Date: ?????

Time: ??:00 AM – ??:00 PM

Cost: \$??? .00 per attendee

Location: ????? Police Department,
?????, ?????, MO ?????

Program Overview

Vista Law Enforcement Training and Consulting, LLC, in partnership with the ????? Police Department, presents this comprehensive training program. This course is taught by experienced, tactical firearm instructors with decades of operational and teaching experience. This course equips participants with the knowledge and proficiency necessary to instruct handgun operators. **Attendees will become Missouri POST-certified handgun instructors. Course requirements are listed on page #2. Certification is valid for three (3) years upon completion (a re-certification course is required after 3 years).**

Training Topics

- Core skills and pre-course preparation necessary to serve as an effective firearms instructor
- Missouri POST-mandated requirements/documentation/qualification forms for firearms certification
- Review of Missouri statutes, federal law, and U.S. Supreme Court decisions on the use of deadly force
- Instructions on field stripping, cleaning, and properly lubricating handguns and magazines
- Tactical first aid considerations and trauma-response principles related to firearm injuries
- Hands-on practical drills utilizing “Blue Gun” inert handguns
- Live-fire skill-building drills for handgun and tactical patrol rifle transition
- **Final practical presentation of a professional PowerPoint-based firearms lesson plan to course attendees and instructors for evaluation**
- **Final written examination assessing comprehension of all instructional material**
- **Final live-fire handgun qualification, including a patrol rifle/handgun transition qualification**

Who Should Attend

- ✓ Any peace officer, public safety/security, military, or other qualified individual(s) seeking certification

Course Requirements

- Documentation verifying status as a current or retired peace officer, public safety professional, armed security officer, military officer, or other qualified individual(s) to be reviewed and authorized by the lead Vista, LLC firearms instructor, who has completed a recognized original handgun training program, including a handgun qualification within the past year using the attendee's department-issued handgun
- Successful completion, with a passing score, of a pre-course and post-course handgun qualification evaluated by course instructors, demonstrating safe weapon handling, proficiency, technical and tactical movement, and approved shooting positions
- A copy of your agency's firearms policies and procedures, including its use-of-force policy
- Duty handgun with duty belt, duty holster, and three (3) magazines
- .223/5.56 AR-15–style patrol rifle with fixed "iron sights" and optional mounted non-magnified "red dot sights," both zeroed in before the course, and approved by the agency for on-duty use, metal or polymer Magpul style magazine (minimum 30-round capacity), single point or double point sling (no triple point slings), which is applicable to your patrol rifle, subject to inspection and approval by instructors (we will provide AR-15 patrol rifles if needed)
- A handheld tactical flashlight or a rail-mounted weapon light
- 500 rounds of handgun ammunition, subject to inspection and approval by instructors
- 120 rounds of .223/5.56 AR-15–style patrol rifle ammunition, subject to inspection and approval by instructors
- At least 5 training or "dummy" rounds compatible with your handgun
- Tactical/BDU style clothing with tactical pants pockets, baseball-style cap, wrap-around eye protection, hearing protection (compatible with shoulder-fired weapons), and body armor (Level III +/- Level III A, or higher)
- A complete handgun cleaning kit and proper lubricants
- Sufficient physical strength and stamina to repeatedly manipulate and fire weapons during extended drills in varying weather conditions; attendees must be able to transition between standing, kneeling, and prone positions, and move forward, backward, and laterally
