### Body Language/Non-Verbal Interviewing Skills

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **"Body Language/Non-Verbal Interviewing Skills."** This training program is presented by current and retired law enforcement investigators and supervisors/commanders who are experts in the field and have conducted thousands of interviews and interrogations throughout their careers. Topics include:

- "Friend-Stranger/Neutral-Foe" non-verbal communication continuum
- How to establish "instant rapport" and maintain rapport through non-verbal communication
- How threats and lying activate automatic physiological response/non-verbal behaviors
- Specific non-verbal/body language movements when someone is threatened and/or lying
- Ways to determine if specific non-verbal/body language movements are when someone is just threatened or also lying
- Practical scenario role-playing on identifying specific non-verbal/body language movements when someone is threatened and/or lying
- History, research, and application of the Facial Action Coding System (FACS)
- Basic human emotions that are innate, shared, and accompanied across cultures by universal facial expressions including specific types of micro-facial expressions
- Practical scenario role-playing on identifying human emotional facial/micro-facial expressions

This program is designed for all law enforcement, public safety, and other security professionals who conduct interviews or interrogations. Day #2 is entirely role-play scenario exercises. This is an advanced class; **anyone attending this course should first complete our Basic & Advanced Interviewing and Interrogation courses.**
