

Vista Law Enforcement Training and Consulting, LLC

1550 Wall Street, Suite 16B, St. Charles, Missouri 63303

Domestic Violence Response and Investigations (8 or 16 Hour)

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **8 or 16-hour POST-approved training program, titled “Domestic Violence Response and Investigations.”** This training program is presented by both current and retired law enforcement officers, detectives, and supervisors/commanders who are experts and have decades of experience responding to and investigating these types of incidents. Topics include:

- Best safety practices in approaching the scene and participants of a domestic disturbance
- Demonstrating in practical exercises the proper tactics and techniques in separating and interviewing everyone involved in the reported domestic violence incident
- Missouri State statutes related to the response and investigation of domestic violence incidents
- Proper ways to complete police incident reports in cases of domestic violence
- Necessity to identify the primary aggressor in a domestic violence incident
- Circumstances where law enforcement officers are protected from civil liability in domestic violence investigations and arrests
- Types of injuries typically associated with incidents of domestic violence
- Demonstrating skills and efficiency in the preparation of domestic violence reports
- Demonstrating the proper tactics and techniques in domestic violence incidents in various role-play scenarios involving both non-arrest and physical arrest situations by officers
- Proper tactics and techniques in trial preparation and courtroom testimony

This program is designed for all law enforcement who respond to domestic violence incidents with the skills to investigate cases of domestic violence, prepare initial and investigative reports, and provide courtroom testimony. Various role-play scenarios will be utilized to increase skills in verbal communication, de-escalation techniques, and conflict resolution.
