Program Overview

Vista Law Enforcement Training and Consulting, LLC, in partnership with the ????? Police Department, presents this comprehensive training program. This course is taught by experienced forensic scientists, crime scene investigators, coroners/medical examiners, and homicide/death investigators with decades of experience.

Training Topics

- Execute proper initial response actions, including scene security and evidence preservation
- Apply constitutional requirements and legal limitations to searches, seizures, and interviews
- Conduct effective initial witness and reporting-party interviews to establish investigative direction
- Perform foundational death investigation procedures for patrol officers and investigators
- Follow the correct notification and coordination procedures with the medical examiner or coroner
- Conduct professional and compassionate death notifications to next of kin
- Assess and interpret death scenes and victim conditions to support manner-of-death determinations
- Analyze real-world death scenes and case examples investigated by course instructors

Who Should Attend

- ✓ Patrol officers/deputy sheriffs
- ✓ Criminal investigators/detectives
- ✓ Crime scene investigators/technicians
- ✓ Supervisors/commanders
- ✓ Anyone tasked with responding to and investigating death investigations
