Advanced Tactical Interviewing & Interrogation Techniques

Vista Law Enforcement Training and Consulting, LLC, in cooperation with **????**, has scheduled this **16-hour POST-approved training program**, titled **“Advanced Tactical Interviewing & Interrogation Techniques.”** This training program is presented by current and retired law enforcement investigators and supervisors/commanders who are experts in the field and have conducted thousands of interviews and interrogations throughout their careers. Topics include:

- Legal aspects in interviewing and interrogation, including Miranda Rights
- Conducting “custodial” vs. “non-custodial” interviews/interrogations
- Initial preparation for the interview or interrogation, including using a semi-structured interview and observing/analyzing the subject before the beginning of the interview/interrogation process
- Utilization and setup of the interview room for tactical advantages
- Interrogation techniques and potential themes for specific crimes, including homicides, sexual assaults, child physical/sexual abuse, arson, robbery, stealing, etc.
- Analyzing a subject’s non-verbal behavior (body language) and emotions during the critical information-gathering process
- Utilizing polygraph exams and computerized voice stress analyzers in criminal investigations, interviews, and interrogations
- Memorializing your interview or interrogation (written and audio/video documentation)
- Practical scenarios with role-players then critiqued in the classroom by the attendees

This program is designed for all law enforcement, public safety, and other security professionals who conduct interviews or interrogations.
