

How It Works

The 4-C Niners play every Thursday with guaranteed Tee Times (TT's) from the Pro Shop. During daylight savings time TT's begin at 8:30AM and during standard time they begin at 9:00AM.

The first Thursday of every month is a Shotgun Tournament and participation is voluntary. You can play without participating, just write "No Tournament" next to your name on the score card.

FOR TOURNAMENT

- Sign up on www.4cniners.com for the first Thursday of the month.
- Sign up to attend the monthly 4-CNiners meeting/luncheon on the website.
- Tournament winners are by flight and receive a monetary award: Low net (first, second and third place) within a flight; low putts across all flights and Ace of Aces (lowest net score for all flights).
- Shot gun start at 8:30 PDT or 9:00 PST. Foursomes are assigned by the Pro Shop (loosely by handicap and walk/ride) and they assign starting holes. Allow time to get to your first hole.
- If competing, play out every hole. No max applies.
- If NOT competing, pick up as desired and take your max (equitable stroke).
- **Add up gross score and turn in SIGNED cards to the Pro Shop even if not competing ("NO TOURNAMENT" should be written by your name).**
- **Pro Shop POSTS all the scores on Tournament Day and ONLY on Tournament Day.**
- Winners are reported at the following month's meeting and awards are given.

FOR REGULAR PLAY – All other Thursdays

- Sign up on www.4cniners.com for TT's. **If there are no spots available or you find you are playing alone, check again the morning of play for openings.** Pro Shop will usually fill in gaps the day of play as they see them, but best to call the Pro Shop the morning of play to confirm. This is also why it is best to arrive 20 minutes before your TT as things do change. You may be teeing off earlier than you thought.
- Keep your own score, no need to hand in any score cards to the Pro Shop.
- POST your own score.

EVERY PLAY DAY

- If you can't play, let the Pro Shop know as soon as possible and let at least one person in your foursome know so they are not waiting for you.
- Arrive 20 minutes before your TT.
- Check in with the Pro Shop to confirm you are here and walk/ride status.
- Sign up and pay for Chip-In monthly award (optional).
- Tee off at your designated time or earlier if available and your foursome has arrived.
- Keep up the pace of play.
