

4 C NINER'S GENERAL MEETING

August 4, 2022

The Meeting was called to order by Captain Susan Clarkson at 11:25

Captain's Report – Susan Clarkson

- Susan reporting for Sheila Berry: To raise additional money for Corena Green, Sheila Berry asked Don Collopy to “call” bingo after we complete our September 1st General Meeting and Luncheon. The cost to play will be \$10.00. You will receive 2 cards. Prizes will be provided to the winners. Again, this will take place after golf, our luncheon and meeting. All welcome. However, if you are unable to stay, please feel free to donate. Any amount welcome.
- Sign up issues. All players should check in at the Pro Shop 30 minutes prior to his or her tee time. You are not to leave early if the tee is open and leave one or more of your foursome behind. This causes problems for the Pro Shop and might hurt feelings of the player who arrived on time and found her foursome had left early.
- Directory. Discussion regarding continuing to use our Paper Member Booklet, or to use On-Line only or both. Also the possibility of using pictures of our members since we have so many new members and it is sometimes hard to put the face with the name.

Jake Saito – Crow Canyon Country Club Golf Professional

- He has recently become the new Golf Pro for Crow Canyon. He wanted to thank the Niner's for the Clinics he did in the past. They were very special to him.
- What he desires as our new Pro:
 - He is not planning on being an office type Pro. He will always try to be an on-hands professional. Right now since he is new, he has a lot to take care of, but he reassured all he will be “out there”.
 - He is very proud of his staff in the Pro Shop. Kyle is his 1st Assistant, Matt and Julio are Assistant Pros. All of these young men are available for questions, lessons, etc.
- Questions from the floor.
 - Complimentary Guest Day returning? Maybe and hopefully.
 - Who purchases the clothes for the Pro Shop? The Pro Shop does the selection and the purchasing. Jake said maybe a survey should be done and tell Jake what you want.
 - Will we ever get Cost + 10%? No. Crow Canyon is owned by Invited Clubs. The clubs who get this are owned by the members.
 - Date for Beat the Pro? Jake has delegated Kyle as the *Pro to Beat*. Kyle will be setting the date.
- Jake summed up his meeting with the Niner's at 12:00 noon.

Golf Rule - Bunkers – Unplayable Ball in Bunker

Q. I don't think I can play my ball as it lies in the bunker (unplayable – what are my options? A. If you don't want to or decide you can't play your ball as it lies when your ball is in a bunker, you may decide it is unplayable. If you do this, you have four total options, and two will always require that you take relief inside the bunker. You have three one penalty stroke relief options. (1) You may play a ball from the spot of your previous stroke (if this spot was out of the bunker, this option gets you out of the bunker; but if your last stroke was from in the bunker, you must stay in the bunker) (see Rule 19.2a). (2) You may take back-on-the-line relief in the bunker (see rule 19.2b). (3) You may drop in the bunker within two club-lengths of where your ball lies but not nearer to the hole (see rule 19.2c). (4) Your fourth relief option comes with two penalty strokes – you may get out of the bunker using the back-on-the-line relief option (see Rule 19.3b).
