Golf Rule – NCGA – Loose Impediments and Movable Obstructions

- Loose impediments and movable obstructions are two categories of items that the Rules do not consider part of the challenge of playing the game, and therefore they can be moved. Loose impediments are unattached natural objects such as sticks, leaves, twigs and blades of grass so long as they are not fixed or growing, solidly embedded in the ground, or sticking to the ball. Movable obstructions are artificial objects that can be moved with reasonable effort such as a water bottle, scorecard, broken tee, trash can, bench, etc.
- Loose impediments and movable obstructions can be moved anywhere on the golf course, including in bunkers and penalty areas, even when your ball also lies in the bunker or penalty area. If your ball moves when moving a movable obstruction, there is not a penalty and you simply replace the ball. However, you will need to be careful when moving loose impediments because if that **causes** your ball to move, you will get a one-stroke penalty and must replace your ball. The only time a penalty does not apply is if your ball lay on the putting green when moving a loose impediment caused it to move.

Pace of Play Tips

- Play ready golf.
- Be ready for your turn.
- Shorten your pre-shot routine.
- Don't over-read your putts.
- Take multiple clubs with you. You do not need two trips.
- You are allowed three minutes of search time. First hit a provisional, then go back and look.
- Proceed to the next hole if you're the first one to hole out: Use this when your group is behind to help catch up. No penalty for playing out of turn in stroke play to save time and be ready to tee off.

Ginny Request: If anyone got a "Hole In One" this year, no matter where, please contact Ginny.
