

## 4-C NINERS GENERAL MEETING

NOVEMBER 3, 2022

The meeting was called to order at 12:45pm by Captain, Susan Clarkson.

### Captain – Susan Clarkson

- Susan welcomed all to the meeting. It was a cold day with a frost delay for our start.
- Susan reminded all that the dues of **\$85.00** for 2023 should be placed in the envelope in the Ladies Locker Room by **November 22<sup>nd</sup>**. The dues are actually \$100, but due to our surplus, the Niner Board unanimously voted to once again pay the WNHGA dues of \$15 per golfer.
- A letter has been sent to Nancy Moore, Captain of the 18 Holers, explaining that the Niners will not co-host the Play for Pink Tournament in 2023. We will certainly give them our support, if invited.
- Susan announced a change for the 2023 “Get A Way”. It seems that participation was low for the couples tournament. We will now change to a “Ladies Get A Way” and begin looking for a venue for 2023.
- Susan announced there will be a short seminar for New Members following this Meeting. Not required, just offered. If you cannot stay, Judy Brooks has a list and will give you a copy.

### Co-Captain – Marcie Cochran

- **November Birthdays** – Roxana Hing 11/1, Judi Nelson 11/2, Starla Chimienti 11/7, Denise Qualls 11/8, Susan Gallinger 11/10, Robin Newman 11/20, Donna Santich 11/22, Lynn Morel 11/26.

- **No Birdies**

### Membership – Rosemarie Hyatt

- Welcome to our new member, **Robin Bovberg**.

**Play for Pink – Sue Anderson:** Sue thanked her Committee and those who participated.

### **Handicap – Ginny Francioni**

- **Most Improved Golfer in October** is Marilyn Hoffman. (.3 Improvement) This seems small but was significant because she was the only one to improve in October.
- **Rule of the Month: The Putting Green**
  - The putting green is one of the five defined areas of the course. It is an area specifically prepared for putting, which means you have some special permissions here, including the ability to mark, lift and clean your ball any time. To mark and lift your ball, you must use a ball-marker, which is an artificial object like a coin or tee. You are also permitted to repair most damage (other than natural wear) on the putting green, including spike marks, and remove sand and loose soil – even when your ball is off the putting green.
  - Once you have marked, lifted and replaced your ball on the putting green, your ball owns that spot. So if it moves for any reason, you will replace it without penalty. If you have not marked, lifted and replaced your ball, whether you replace it or play it from its new location depends on the cause of the movement. If you or anyone else accidentally causes your ball to move, replace it. If wind or another natural force causes it to move, play it from its new location. There is no penalty in either case.
  - On the putting green, the flagstick indicates where the hole is located. You are allowed to putt with the flagstick in the hole, and there is no penalty if your ball strikes the flagstick. If the flagstick is attended or removed while you make your stroke, it can be moved out of the way while your ball is in motion. Otherwise, it must be left in position from the time you make your stroke until your ball comes to rest.
  - The Committee decided the hole location and, while there is guidance, there is no such thing as an illegal hole location.

### **Holiday Party – Vicky Takata**

All going well for our Ladies Luncheon Holiday Party on December 1, 2022 at 11:30 am and to date we have 51 sign-ups. There is still time to sign up. The sign-up deadline is November 22.
