Dryland Class Descriptions

All Classes are 50 mins to 1 hour

Intro to Strength Training M/W 11:00am

Learn how to strength train safely and effectively. This class is catered to those that have never strength trained before or want to ease gently into strength training. Modifications are offered and you are encouraged to workout at a pace that is right for you.

Core training, body weight and light dumbbells/bands are used to increase strength without overdoing it. The goal is to build strength training into your workout routine in a fun, enjoyable and safe way.

Power Pump M/W 8:15am

A medium intensity class that works on cardio and muscular strength through a variety of exercises.

This workout is a little more challenging and is a full body upbeat workout.

W.I.T. (Whatever IT Takes) T/TH 4:30pm

Low impact, fun and varied workout that targets the whole body. This class is a good workout for all abilities.

Stretch Flex and Balance M/W 9:15am, M/W 1:00pm

This class focuses on low impact stretching and strengthening.

Modifications are offered and this class is perfect for all abilities. There is a different focus every day with explanations behind each exercise. The M/W at 9:15 is a little more intense while the M/W at 1 pm is more relaxed and helpers such as bands and blocks are used.

Yoga With Melissa M/W 5:30pm

Gentle yoga classes focused on relaxation and stretching with a calming and relaxing mindset. Each class starts with a quiet period that allows you to get relaxed.

Yoga with Katie T/TH 5:30pm

Yoga with Katie is a flowing Vinyassa yoga that is good for all abilities and bodies.

The class goes at an easy pace and is welcoming to beginners. Mats are provided but you can bring your own if you would like.

Pilates T/TH 10:00am

Pilates are a low impact workout that promotes core strength and stability.

This class is a popular class for people who want a full body workout but not a whole lot of cardio.
