Know God

Make A Difference

Welcome 🏴

We are excited to worship with you today! At City First Church, we envision every person living in the hope, healing and wholeness of Jesus. Our Mission: Know God, Find Freedom, Discover Purpose, and Make A Difference. We hope you encounter Jesus today.

What to Expect

Our services provide opportunities to worship through song, hear the Bible read aloud, engage with a message preached from the Bible, and close with worship. The service usually lasts 75 minutes.

Message (Week 1 of 3)

Waiting, Longing, Hoping

Scripture: Luke 3:1-6
