

Structure

This plan takes you through the entire Bible in one year. You'll read two or three chapters a day and sometimes skim through larger portions that contain genealogies and census information.

Meditate on the Psalms

Each day's reading includes a Psalm upon which you can meditate and pray. By the end of the reading plan, you'll have prayed through the book of Psalms two and a half times.

Videos

Every time you begin reading a new book of the Bible, we'll direct you to a short animated video on our website. These videos will outline the book's design and overall message to put your reading in context. In addition to these overview videos, you'll also find helpful theme videos that explore several topics covered in the reading plan.

Posters

Free downloadable posters for each overview video are available on our website at bibleproject.com/resources.
