Joanne Kukenis  
Tony Blumestetter

**Sewer Project:** For those of you who were not at the meeting on Sept 12th, the County will be updating the GRCA of any news. You may check the website [www.cssewers.net](http://www.cssewers.net) for more info. Below are a few facts supplied by the County and **NOT an opinion of the GRCA.**

- Construction is 100% funded by grants.
- Annual charge per residential home is approx. \$770/year.
- Suffolk County Leg. Public hearing on the Map and Plan report is October 2, 2018 @ 6:30 PM.
  - Referendum vote for the community will be in January 2019.
  - If the project is not approved by vote the grant funding will be lost.

The GRCA will arrange an additional community meeting BEFORE the vote and we will all discuss the pros and cons of the project.

Please support our association so that we are able to continue planning community social events, maintaining the beauty of our town and most importantly keeping you informed while simultaneously meeting your needs and concerns.

Membership fees help pay for our events and permits, monthly email blasts, seasonal decorations, signage, our spring clean-up, Great River sign maintenance, donations and so much more!

Do you have any additional ideas to help or beautify our community? let us know!
