BAR SERVICES AND POLICIES

POLICIES

STAFFING

We require 1 bartender per 50 guests + a bar back for each additional location. Minimum of 3 bartenders required for 2 bar locations (if open simultaneously). Final staffing decisions made at the discretion of the bar service manager.

BAR LOCATIONS

All packages include the inventory and supplies for one bar location per every 150 guests. Any additional bar locations are a flat rate of \$125 each. We will provide at least 4ft of bar space per 50 guests (i.e. a 150-guest function would warrant a 12ft-long bar, and 3 bartenders).

WEDDINGS

If your ceremony is in the same general vicinity as your reception, we will need to send our bartenders early enough to be setup prior to your guests' arrival. This warrant's an early bar setup fee; \$25 per bartender. We will not send open bar service for longer than 5 hours for liability purposes.

NON-DRINKERS

We price our packages using the statistic that only 70% of the population drinks alcohol. Please provide us with your complete guest count for accurate pricing. Pricing for juices, sodas, ice, water, garnishes for guests under 21 is \$8.75 per person.

UPGRADES

LOCAL BEER SCRAMBLE

A fun, low-cost way to incorporate a touch of Charleston beer culture, for just \$1.00 per person. Two random local brews will be available at each of your bar locations, but the brands will not be revealed until one week prior. A Spike salesperson can share with you what is in-house at that point for you to choose, if you'd like.

WHITE CLAW (VARIETY PACK #1)

White Claw (variety pack #1) can be added to any package for \$1.50pp

DINNER WINE SERVICE

Wine service to tables during dinner can be added for additional cost, and requires additional staff. Consult your sales associate for pricing based on your guest count, wine choice, and bar package.
