## PERSONAL PROFILE

Indian entrepreneur - chairman, MANAGING DIRECTOR, and founder of RAVINS Tech and Goo Pvt Ltd.,

This is Mr.Ravin N, who graduated as an Engineer in computer science at Sethu Institute of Technology, Madurai in the year 2016. During my period of studying at the college, a strong motivation and drive to reach great heights was a dream, since my school days. That trigged a technical journey in 2013

I started with an idea to open a technical forum in social media named "Techosoft " in 2013 at first "Techosoft" Begin with 2 followers and now has 1200+ followers including 15+ foreign countries,.

Through Tech and Goo, I have Organised seminars in the title Android for a large number of college students

Times Of India on sep 25, 2015 published an article about my workshop on Android under the title " city engineer students brake the SHACKLES and pave the Wave for others ".

My vision and Mission gave birth to a new Business Process Outsourcing Company in the year of 2017 in the name of RAVINS Tech and Goo Pvt Ltd

Welcome to Tech and Goo SECRET code is "HAVE A MOTIVE"
